Annual Report

ONE More year has passed and we are still here doing our very best to satisfy our customers by selling good merchandise at a fair price. Courteous treatment and *one price to all*. Our terms are cash, strictly, and for this reason we sell for less. We, at all times, have a good line of seasonable footwear and solicit your patronage.

We also have a firstclass repair shop owned and operated by V. L. Partridge. He does good work, uses good stock and his prices are right. Bring your old shoes here and have them rebuilt.

SCHOOL REPORT

1927-1928

To the Superintending School Committee and Citizens of
Greenwood:

Conditions and work of the schools are, on the whole, excellent. The Town is fortunate in the quality of its teachers. Buildings and equipment are in a very satisfactory condition, except that two need paint and two need stoves.

There are more students in high school than we expected one year ago. This is a good change. All reports that I have received of their work are favorable.

I wish to thank the School Committee for hearty co-operation during the past year. Recommendations, Accounts, and Statistics will follow.

Respectfully submitted,

F. R. RUSSELL,

Superintendent of Schools.

ALMOST A MIRACLE PERFORMED

Julia Libby's Girl

Signs of Worms are:
Constipation, de-
ranged stomach,
swollen upper lip,
offensive breath,
hard and full stom-
ach with pains, pale
face, eyes heavy,
short dry cough,
grinding of the
teeth, little red
points on the
tongue, starting
during sleep with
troublesome dreams,
slow fever.

If this happened in your family you, too, would call it a miracle.

Mrs. Julia Libby, Goodyear Ave., Melrose (Mass.), writes: "Not long ago, when my youngest daughter was 3 years old, I had occasion to use Dr. True's Elixir when she was suddenly afflicted with a twitching of the mouth. She did not improve. Finally, I happened to notice Dr. True's Elixir advertised. I gave her several doses which resulted in worms being expelled to the extent that in a remarkably short time her face returned to normal again and she has been in the best of health ever since. It is certainly a wonderful laxative and worm expeller, as it performed what seemed almost a miracle for me. I can't praise it too highly."

A Short Message

A Public Speaker once said that he had three invariable rules. He always stood up squarely so all could see; he spoke plainly so all could hear, and sat down quickly so all would be pleased. ¶ We try to adopt a good bit of that in our advertising. We try to display our words so all can see; write clearly so all can read, and quit before the reader tires. ¶ Our message this year.—
